

At the First National Bank of Brookfield, there is no higher priority than the health and safety of our customers and community. Given the evolving concerns around COVID-19 and to help support community management efforts, we have decided to temporarily adjust our Bank services.

Beginning on Thursday, March 19, 2020, **lobby transactions will be by appointment only.** Please call the Bank at (708) 485-2770 to schedule an appointment.

As of Monday, March 30<sup>th</sup>, **our drive-thru hours will change to 8 am to 5 pm Monday through Friday and from 8 am until 2 pm on Saturdays.** We hope to resume normal lobby and drive-thru activity as soon as possible, subject to public health conditions.

We encourage you to access your accounts from anywhere 24/7/365 through our mobile, online or telephone banking services. Utilizing these tools, you can check balances, transfer funds, deposit checks or find the nearest ATM. If you are not enrolled in Online or Mobile Banking and you need assistance with the process, please call the Bank and speak with one of our friendly personal bankers.

We are committed to providing our services to you in the same manner that we have provided in the past as we continue to monitor ongoing developments and safety information related to the COVID-19. We are following guidelines from public health authorities and our own Business Pandemic Plan to ensure business operations continue while working to protect the well-being of our customers and employees. For additional information about COVID-19, get the latest report from the Centers for Disease Control at [cdc.gov](http://cdc.gov) or the local health department website.

At this time, we are NOT aware of any First National Bank of Brookfield employee or customer who has been in this location that has been infected with COVID-19.
