January 6, 2022

Given the recent increase in COVID-19 cases, we unfortunately have to temporarily suspend walk-in lobby access. **Effective, Monday, January 10<sup>th</sup>, we are requesting that customers schedule an appointment to meet with a banker in person. While our lobby access is temporarily restricted, our drive-up will be fully staffed & able to process transactions in a fast & efficient manner.** Additionally, we have our convenient drive-up ATM and our lobby ATM available to serve you along with a full suite of secure online & mobile banking resources.

We are obviously monitoring this situation very closely and will make adjustments as necessary for the safety of our employees, customers and community.

We look forward to continuing to serve you and wish you good health in 2022.
